

DISC Hardware Compatibility Guide

CD/DVD and Blu-ray Disc Enabled Hardware Compatibility Table - Updated 05/05/06

Note: Testing performed to verify compatibility between DISC libraries and listed SCSI, FC and iSCSI hardware.

Specific ISV software compatibility must be verified with the ISV directly.

LEGEND:	TW = DISC tested (or audited) and working
	NW = Tested but does not work
	TF = Tested in field and working (not by DISC)
	NE = Not tested, but expected to work
