

Media Crusher Comparison Matrix

	Crusher Model		
	SEMSHRED 0101 SLEDGEHAMMER	Garner Products PD-4	Garner Products PD-5 & SSD-1
Features			
Destroys Magnetic Hard Drives	Including Desktop, Laptop and Server Drives	Including Desktop, Laptop and Server Drives	Including Desktop, Laptop and Server Drives
Destroys Solid State Media	Does Not Effectively Destroy Solid State Media	Does Not Effectively Destroy Solid State Media	Effectively Destroys Solid State Media
NSA CSS 9-12 *Compliant	NSA CSS-912 Compliant	NSA CSS-912 Compliant	NSA CSS-912 Compliant
NSA Evaluated	Passed NSA Evaluation, Listed on NSA EPL	Passed NSA Evaluation, Listed on NSA EPL	PD-5 Passed NSA Evaluation, Listed on NSA EPL, SSD-1 currently under evaluation
LCD Display with Batch Counter & Maintenance Reminder	Does not have LCD Display, Cycle Count or Maintenance Reminder	Does not have LCD Display, Cycle Count or Maintenance Reminder	Includes LCD Display, Displays Batch & Total Cycle Count, and Maintenance Reminders
SSD Capable Crush Force (15,000+ lbs.)	12,000 lbs. of force	11,000 lbs. of force	15,000 lbs. of force
Multiple Standard Hard Drive Destruction Per Cycle	Destroys 1 standard HDD per Cycle	Destroys 2 standard HDD's per Cycle	Destroys 2 standard HDD's per Cycle
Non-Hydraulic (Safe for Data Center Operation)	Unsatisfactory for raised floor facilities; Hydraulic pressure could result in oil leakage	Satisfactory for raised floor facilities, no hydraulic mechanism, no risk of oil leakage	Satisfactory for raised floor facilities, no hydraulic mechanism, no risk of oil leakage
Destruction *Cycle Time	Fast cycle time, under 10 seconds	Fast cycle time, under 10 seconds	Fast cycle time, under 10 seconds
Light Weight (Under 100 lbs)	Over 100 lbs. (115 lbs.)	Under 85 lbs.	Under 90 lbs.
Auto-OFF Door Sensor	Safety interlock prevents operation while door is open	Safety sensors prevent operation while door is open	Safety sensors prevent operation while door is open
Safe to Use	Unknown	3 rd Party tested and certified to US and International Electrical Safety Standards	3 rd Party tested and certified to US and International Electrical Safety Standards
1 Year Standard Parts & Labor Warranty	90 Days Labor Warranty Standard	Standard 1 Year Factory Warranty Parts and Labor	Standard 1 Year Factory Warranty Parts and Labor
3 Year Optional Parts & Labor Warranty Extension	3 Year Warranty Extension Optional	3 Year Warranty Extension Optional	3 Year Warranty Extension Optional

Effectively Supports Highlighted Feature
Unsatisfactorily Supports Highlighted Feature
Fails To Support Highlighted Feature

*Compliant	For Magnetic Hard Drive Destruction
*Cycle	Cycle Time Begins at Destruction Component's Home Position and End's at Destruction Component's Lowest Point
