

NSA DEGAUSSER COMPARISON MATRIX

Features	Degausser Model			
	Proton T-4/ Whitaker 105	Data Security HD-5T	Verity SDD-Master	Garner TS-1
Degausses Magnetic Media	Including Desktop, Laptop and Server Drives	Including Desktop, Laptop and Server Drives	Including Desktop, Laptop and Server Drives	Including Desktop, Laptop and Server Drives
Independently Certified to Meet Electrical Interference Standards Worldwide	NO	NO	NO	3 rd Party tested. Certified to US and International Electrical Safety Standards
NSA/CSS Evaluated	YES	YES	YES	YES
USB Output for Live Destruction Reporting	NO	NO	YES	YES
LCD Display with digital field strength meter, cycle count, and machine status.	LCD Display indicates machine status and faults	2 Character LCD Display	LCD Display indicates machine status and faults	Includes 32 LCD Display with digital field strength meter, cycle count, and machine status.
High Power Degaussing Force (Over 20,000 Gauss)	Produces over 20,000 gauss	Produces over 20,000 gauss	Produces over 20,000 gauss	Produces over 20,000 gauss
Fast Cycle Time (Under 1 Minute)	90 seconds, subject to over heat	Varies 30-45 seconds depending on time and conditions	75 seconds multi cycle process	Steady 45 Second Continuous Cycle Time with Smart Charge™ increases capacitor life and saves energy
Large Degaussing Area Drawer Design	N/A (Slot)	N/A (Door and Media Tray)	N/A (Lid and Caddie)	Large, robust metal drawer resists jams and has low sides for "pinch-free" loading and removal of media
Magnetic Field Strength Display	N/A-External Gauss meter sold separately	2 digit display	N/A-External Gauss meter sold separately	Easy to understand Field Strength Bar Graph
Light Weight (Under 100 lbs.)	Under 200 lbs.	Under 200 lbs.	Over 300 lbs	Under 200 lbs.
Portability	Wheeled transport case optional, no inherent design to promote portability	Wheeled transport case optional, no inherent design to promote portability	Too large/heavy to be considered reasonably portable	Available wheeled transport case and four precision machined retractable handles
Office Friendly Foot Print	26.0" Length	26.9" Length	34.8" Length	21.5" Length - Fits easily on a standard office counter top
1 Year Standard Parts & Labor Warranty	Standard 1 Year Factory Warranty Parts and Labor	Standard 1 Year Factory Warranty Parts and Labor	Standard 1 Year Factory Warranty Parts and Labor	Standard 1 Year Factory Warranty Parts and Labor
3 Year Optional Parts & Labor Warranty Extension	3 Year Warranty Extension Optional	3 Year Warranty Extension Optional	3 Year Warranty Extension Optional	3 Year Warranty Extension Optional
